

5.5" Dark Purple Foam Cutting Pad

PRODUCT DESCRIPTION:

3D's Most aggressive foam cutting pad is ideal for the quick removal of scratches, towel marks and oxidation! It's open cell design allows the air to flow through the foam, reducing heat and increasing pad durability and at the same time holding the desired amount of compound allowing more working time. K-56SDP is the perfect choice for doing the heavy work leading up to that High Definition shine you desire in every finish.

BENEFITS:

High performance, durable foam pads will normally last 2 to 4 times longer than any pads currently available.

SPECIFICATIONS:

High Performance, tear resistant, long lasting foam.
