PRODUCT DESCRIPTION:

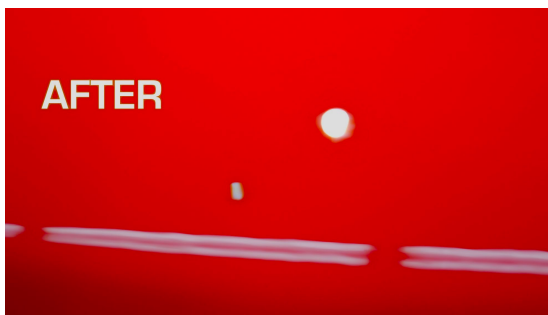

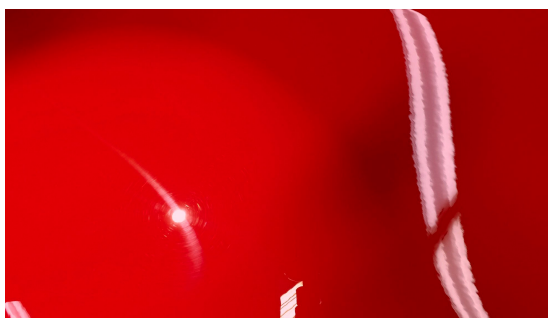

Correction glaze is truly an all-in-one. It combines the power of Adaptive Abrasive Technology a long lasting sealant. Correction glaze is adaptable to fresh and cured paints.

FEATURES:

Usage: Corrective Glaze
 Color: Green
 Scent: Green Apple
 Shelf Life: 1 Year
 Surface: Paint finish
 Biodegradable: No
 Dilution: No
 VOC Compliant: Yes

BENEFITS:

Use with either a dual action polisher or a rotary buffer to achieve an exceptional finish.

HOW TO USE:

Use with a rotary or DA polisher. A stiffer pad will increase correction. Slower polishing passes will also increase correction. Wipe off excess.

WARNINGS:

Harmful if swallowed
 Causes skin irritation
 Causes serious eye irritation
